COVID-19 – Precautions and Staying Safe

Moving during Coronavirus

During these unprecedented times, please be assured that we have implemented multiple precautions to move you in a safe and controlled way. We follow government guidelines at all times.

Getting a Quote

When contacting us for a quote, we may ask to send you an email with a list of questions, we may ask you for photos or a video survey. We can arrange home visits, with precautions in place, if both parties are in agreement.

Our Vehicles and Equipment

Our moving equipment, including blankets and furniture covers, will be rotated where possible to leave ample time between our equipment being used on moves.

Our PPE

As well as our clients safety, our employees health is of utmost importance, to minimise risks our employees will all have access to face masks, gloves and hand sanitiser.

Clients

Your obligation

As well as the precautions we are taking to help keep you and our employees safe, we request our customers to do the same. These precautions are simple and in line with guidance given by multiple organisations.

If you are unable to assist us with any of these precautions, please let us know in advance so we can agree a safe work plan and find a solution before the team arrives.

Ventilate Property

Before your move commences, please open up doors and windows to allow airflow and ventilation through the property.

Disinfect and Clean

It's important to clean your furniture and property before our arrival to a good standard, this includes high traffic areas, such as hallways, banisters and door handles.

Observe Social Distancing

During your move, please observe social distancing with your moving team.

Limit of People in your Home

During your move, please have limited people in the property at any time.

Symptoms of Covid-19

If you or anyone in your household is showing symptoms of covid-19 in the days prior to your move, you are required to let us know at the earliest convenience, so that we can assist you in rebooking your move whilst self-isolating.

Please do contact us with any questions – 01621 819488 or info@mr-o-removals.co.uk
